The Fearful URGENCY of NOW!

When I wrote my book the Lord told me that he was "raising a Corporate JOSEPH" in the nations of the world to deal with the challenges of the global

economic recession. The rising unemployment rate in the USA and the global economic challenges of nations has injected a "scarcity mentality" and fear in the hearts of many members of the Body of Christ. But times of world challenges have also been the birth canal of many new "new millionaires and billionaires". "God has shown me that 2012 will be a year in which many of His people will "Taste their True Inheritance in Christ." Believers who have NEVER been "Millionaires or Billionaires" will supernaturally become so as they cooperate with God and develop the correct Theology and Psychology of Wealth! This is a FREE event but you need to RSVP as soon as possible by Phone or by Email. Shalom!!!

See you there!
Dr. Francis Myles
